# USA at 250 – Reflecting on Democracy and Current Debates

## Planned Student Project Exhibition

### Work on what moves you!

As part of our event series on the 250th anniversary of the Declaration of Independence, we plan an exhibition of projects that explore current issues connected to U.S. democracy and society. Therefore, we are **looking for student projects** on these topics. Projects can include:

- **Posters** about a research topic connected to U.S. democracy or the 250th anniversary of the Declaration of Independence,
- **interactive displays** for visitor engagement,
- **audio** and **video** contributions,
- **creative writing** and **art**,
- **performances**,
- and more....
