

Welcome Event

Master Programs

Get-Together for (International) Master Students

Are you...

currently enrolled in the American Studies MA program and would like to connect with other students in a relaxed environment?

Do you...

have questions regarding the Obama Institute, the JGU or just life in Germany in general?

Then come to our get-together on November 4!

After an introduction from faculty and staff of the Obama Institute, you are welcome to stay for an evening of board games and easy conversation. Drinks, snacks, and a selection of board games will be provided. We kindly ask you to bring your own cup and, if you want to, your favorite game.

Any questions? Please contact

Lena Lambrich (llambric@students.uni-mainz.de),
Alex Ion (marion@students.uni-mainz.de), or
Cäcilia Schneider (caschnei@students.uni-mainz.de)

November 4, 2026
